July 30 ? Aug 1, 2012

Registration is currently closed, but we can send you an email alert when its open.[Click here](#)^[1].

Welcome to the 2012 Retail Clinician Education Congress, a three-day educational and networking forum designed to meet the needs of the growing field of convenient care practitioners. The Retail Clinician Education Congress brings together retail clinicians from across the country to fine tune their skills, while earning CE credits and learning about the latest products and services the industry has to offer.

Don't miss this educational forum designed to meet the needs of the growing field of convenient care practitioners. **All sessions will take place at the Gaylord Palms hotel in Orlando, Florida, July 30- Aug 1.**
